APPROVED FOR RELEASE ☐

Mr. Matthew Scott Breay

Reference: F-2009-00451

Dear Mr. Breay:

This is a final response to your 22 January 2009 Freedom of Information Act (FOIA) request, received in the office of the Information and Privacy Coordinator on 29 January 2009, for **"access to and copies of all changes reflecting updates in leadership, positions, or the spelling of officials' names in the country listings during the period 25 Apr – 5 May 2008 in the CIA's *Chiefs of State and Cabinet Members of Foreign Governments*."**

Please note Agency records released since 1 October 1996 are available on our website (CIA.GOV), including the subject of your request. The document can be accessed by clicking on "Publication" located under the "Library" tab. Scroll down and click on "World Leaders." The dates you are inquiring about can be narrowed using the "Search" bar provided on the site. In addition to the "Search" section, our "Popular Document Collection" section offers the most frequently requested CIA information, and our "Your Rights" section serves as a reference guide to help the public access Agency information through the various federal public access laws. Moreover, our website gives instant access to our information and offers a less costly alternative, because the FOIA authorizes federal agencies to collect fees for records services. The website address is:

www.foia.cia.gov

If you do not have access through a home computer, access to the Internet is available at most public libraries.

Sincerely,

A handwritten signature in cursive script that reads "Delores M. Nelson".

Delores M. Nelson
Information and Privacy Coordinator
